Objective

Volunteers

1. Define the scope of the VITA/TCE program
2. Understand your volunteer responsibilities
3. Understand the privacy and disclosure policy
4. Identify and locate the reference materials available

Scope of VITA/TCE

The VITA/TCE program assists individuals with limited income who need help completing simple federal and state income tax returns. Non- resident and part-year resident tax returns can be complex. This manual excludes instructions for the California long or short Form 540NR. This manual limits instructions to California resident tax returns only.
Generally, volunteer sites open as early as January 15 and provide assistance through April 15 each year. In all cases, VITA/TCE sites do not charge for assistance.

Volunteer Responsibilities

Volunteers make the program work by fulfilling these responsibilities:

- Complete the Federal training and certify on Link and Learn.
- Attend and complete the State tax training.
- Be available January thru April 15th to provide assistance.
- Use the IRS and FTB manuals and the reference guides to help you provide accurate information to your clients.
- Call the IRS or FTB volunteer hotlines for answers to Federal and State tax questions.

You do not have a legal responsibility for the tax returns you prepare. Let your clients know that the tax returns legal responsibility is theirs. The Volunteer Protection Act of 1997, PL 105-19 exempts a volunteer of a nonprofit organization or governmental entity from liability for harm caused by an act of omission by the volunteer on behalf of such organization or entity.

Privacy and Disclosure of Information

Your clients provide confidential information with their tax returns and financial information. You are not to disclose this information under any circumstance with anyone other than the client and authorized individuals. You must take actions to erase confidential information on the computer's hard drive. Volunteers are subject to the criminal penalty provisions of 18 U.S.C Section 1905 for any improper disclosures of customer information.

It is critical to the VITA/TCE Program's success to ensure volunteers safeguard customer information and understand their responsibility to protect confidential information under a need to know basis. Arrange your assistance area to enhance the privacy of your clients. Prevent others from overhearing or seeing the information.

You must sign IRS Form 13615, *Volunteers Standard of Conduct Agreement*. This agreement and its provisions apply to the state returns you prepare.

All information you receive from the taxpayer as a volunteer is strictly confidential and should not be disclosed to unauthorized individuals.

Site Number/SIDN

The IRS assigns every volunteer site a site number (SIDN). This number will be added automatically from the default software setup on all tax returns for identification purposes.

No Acceptance of Payments

The VITA/TCE Program provides free assistance. You may not accept payment of any form under any circumstance, either for your services or on behalf of the IRS or FTB.

Client Documents

It is essential for the site appointment maker to tell, e-mail and/or printout the needed documents listed of all tax related items the client needs to bring to their appointment. All necessary records are needed to complete an accurate tax return.

To complete an accurate tax return the client needs to bring:

1. A completed IRS Intake/Interview quality review sheet.
   - IRS Form 13614-C, Intake/Interview and Quality Review sheet.
   - Answer the questions about the client and their family.
   - Birthdates for the taxpayer, spouse and dependents.
   - Health insurance coverage for all members, IRS Form 1095-A,1095-B and 1095-C
2. Copy of last year's Federal and State tax returns.
   - Gives you some idea of the tax return's complexity.
   - Shows the forms used the prior year.
   - Allows you to crosscheck the client's information: Social security number(s) and dependent(s) information.
3. Wage and earning statements like Forms W-2, W-2G, 1099-R and other 1099's.
4. Any other relevant information about income and expenses.
5. Checkbook for bank routing and account numbers for direct deposit.
6. Day care receipt with the total amount paid and the day care provider's:
   - Name, Address and phone number
   - Tax Identification or Social security number.
7. The following itemized items for clients who itemize:
   - Mortgage interest statement (normally on December or January bill or 1098).
   - Real Estate tax documents.
   - Vehicle Registration from DMV.
   - Charitable contributions with receipts or documentation to substantiate.
   - For other itemized deduction information go to:
     - The IRS Tax Topics at http://www.irs.gov/taxtopics/tc500.html.
8. Yearend Brokerage statement.
9. Rental property income and expenses, for more information go to:
   - IRS Publication 527, *Residential Rental Property*.

Generally, you should fully complete the taxpayer's tax return at the time of service. **Do not** retain taxpayer documents for a follow-up visit. If more data is required, give everything back to the client. The client should provide the entire package with the missing information when they return.

Replenishing Supplies

To replenish your supplies of state forms and publications, complete Form 2333V-CA and return it to the Volunteer Income Tax Assistance team. You may also call the Volunteer Hotline at 800.522.5665, to order forms or email an order to volunteercoordinator@ftb.ca.gov.

The Volunteer hotline can assist with the following:

- Tracking of orders
- Tax preparation questions
- TaxSlayer software assistance

The Volunteer Hotline hours of operation are 8am to 4pm Monday thru Friday, except state holidays. You can reach the Volunteer Hotline staff at 800.522.5665.

Change in Location and/or Service hours

If you have a change in location or service hours, do one of the following:

1. Call the Volunteer Hotline and inform them;
    - That you are a volunteer for the VITA/TCE program
    - The location of your site (Including county and Zip code)
    - The change in location and/or hours
2. Notify the organizations, media and other persons whom you previously contacted regarding location and hours or operation.
3. Correct or remove the posters distributed throughout the community. This is to notify the public of your closure or change in location and/or hours of operation.

Note: We provide links to volunteer site lists. The IRS and AARP provide the site listings, any change in service hours, location or contact numbers should be updated with the IRS as soon as possible.

Questions or Assistance outside the Scope of the Program

On matters beyond your training, refer the client to the toll-free public assistance telephone numbers: IRS 800.829.1040 or FTB 800.852.5711. It may be necessary to suggest the client hire a tax service or enrolled agent to file their complicated tax returns.

Marketing Your Program

The VITA/TCE programs success depends on how many people in your community know about the service. Once of the most effective ways for you to make your community aware of the VITA/TCE program is through “word of mouth”. As a member of your community, you know the activities, organizations and individuals who could assist you in getting the word out. FTB assists by sending out volunteer posters that can be posted where you think they would get the most exposure (as in a community bulletin board, store window, library, church, bank, senior citizen home, etc.).

Introduction to California Tax Law

1. Understand the key terms related to California tax law
2. Determine income taxed by California.
3. Determine the taxpayer's filing requirements.
4. Determine the proper filing status.
5. Determine the correct tax forms to file.
6. Explain the automatic extension rules.
7. Define the key tax terms in the glossary of tax terms.

General Information

We include information that is most useful to the greatest number of students in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the tax booklets. Taxpayers should not consider the tax booklets as authoritative law.

Filing Date

The due date for the 2018 tax returns, April 15, 2019. Therefore, the 2018 tax return and payments received by April 15, 2019, are considered timely and are not subject to penalties and interest.

If a client is living or traveling outside the United States on April 15, 2019, the due dates for filing a return and paying tax are different. The taxpayer is automatically granted a two-month extension until June 15th for filing the return and paying the tax.

If the taxpayer cannot file by the June 15th 2019, they can also be granted the automatic six-month extension. This would make the due date for filing the return December 15, 2019.

Automatic Extension to File

The last day for your client to file their 2018 tax return to avoid penalties and interest computed from the original due date of April 15, 2019 is October 15th 2019.

California Tax Forms

Below is a list of the personal income tax forms for California:

- 2018 540 2EZ – Used for Full year residents
- 2018 540 – Used for Full year residents
- 2018 540NR (Short)- Short Form for part year residents and nonresidents
- 2018 540NR (Long)- Long Form for part year residents and nonresidents

Federal vs. State

In general, California law often conforms to the Internal Revenue Code (IRC). However, California may not adopt all of the federal tax laws made. For more information, go to irs.gov, ftb.ca.gov and FTB Publication 1001, *Supplemental Guidelines to California Adjustments.*

State and Federal Differences

California taxes:

- Foreign earned income.
- Interest income from non-California state and local bonds.
- Interest income from District of Columbia bonds issued after December 27, 1973.
- Interest income from municipal bonds issued by a county, city, town, or other local government unit in a state other than California.
- Foreign social security income.

California does not tax:

- Interest income from U.S. savings bonds, U.S Treasury Bills, or any other bonds of the U.S. or U.S. Territories.
- State income tax refunds.
- Unemployment compensation and paid family medical leave in lieu of unemployment.
- Social security benefits.
- Tier 1 and tier 2 railroad retirement benefits.
- California lottery winnings.

Itemized Deductions

Generally, California conforms to federal law regarding itemized deductions. However, there are some differences. For more information, go to FTB Publication 1001, *Supplemental Guidelines to California Adjustments*.

Injured Spouse

Under federal law, a spouse may seek relief in instances where a refund on a joint return is used to pay (offset) a debt of the other spouse. California does not have a similar provision.

For additional nonconformity items, go to FTB Publication 1001, *Supplemental Guidelines to California Adjustments.*

General Filing Requirements

If a taxpayer is questioning whether he or she should file a tax return, you should always advise them to file a return. By filing a tax return, the client avoids penalties for failure to file.

Remember, even if your client does not have a filing requirement, you will need to file a tax return to claim a refund if any of the following are true:

- There is California withholdings on Form W-2 or any 1099's
- The client paid any estimated payments to the State of California
- The client qualifies for California EITC

Dependent of another person

If you are the dependent of another person, regardless of your filing status and age, you must file a tax return if their gross income from all sources is more than their standard deduction. The filing requirement is based on the standard deduction even if the taxpayer is itemizing their deductions. Use the Standard Deduction worksheet for the Dependents, which is located in the 2018 540 Booklet, *Personal Income Tax Booklet* to figure the deduction amount.

Note: Taxslayer will calculate the allowable deduction for dependents. Make sure, "Can be claimed as a dependent", box is checked.

Additional filing thresholds

Below are additional situations when a taxpayer must file a return even if their income was below the threshold:

- Tax on a lump-sum distribution
- Tax on a qualified retirement plan including an Individual Retirement Arrangement (IRA) or Archery Medical Savings Account (MSA)
- Tax for children under age 19 or a student under age 24 who have investment income greater than $2,100
- Alternative minimum tax
- Recapture taxes
- Deferred tax on certain installment obligations
- Tax on an accumulation distribution from a trust

Standard Deduction

For California, the 2018 standard deduction for single or married filing separate taxpayers is $4,401. For joint, surviving spouse or head of household taxpayer's, the standard deduction is $8,802.

Head of Household

Head of Household Schedule 3532 must be filed with the tax return when filing Head of Household.

Exemption Credits

The 2018 personal exemption credit amount for single, married filing separate and head of household filers is $118 and for joint filers or surviving spouses is $237. The dependent exemption credit for tax year 2018 is $367.
Note: If your client's 65th birthday is on January 1, 2019, they are considered to be age 65 on December 31, 2018.

Deceased Taxpayer

If a tax return is normally required, file a final tax return for individuals, who died during 2018. If there is no administrator or executor appointed, file a joint tax return with the surviving spouse/RDP as long as the spouse/RDP did not remarry during 2018. Write "surviving spouse/RDP" next to their signature on the tax return.

If your client is not the surviving spouse/RDP, and the decedent is due a refund, complete federal Form 1310, *Statement of Person Claiming Refund Due a Deceased Taxpayer*, and submit with the return.

For tax years 2013 and after, dependent children are required to pay taxes at their parent's tax rate on investment income that exceeds $2,100. This is Kiddie Tax, and is calculated on FTB 3800, *Tax Computation for Certain Children with Unearned Income*. The form should be included with their return.

Kiddie tax applies if:

- The child is either:
    - Under age 18 at the end of the year
    - Age 18 at the end of the year and did not have earned income that was more than half of the child's support
    - A full-time student over age 18 and under age 24 at the end of the year, and did not have earned income that was more than half of the child's support
- Either one of the child's parents is living at the end of the year
- The child does not file a joint return for the tax year
- The child's investment income for 2018 is more than threshold amount

- Joint Custody Head of Household

There are many other special credits, for a list of those credits go to, 2018 540 Booklet, *Personal Income Tax Booklet*.

California Earned Income Tax Credit (CA EITC)

An earned income tax credit (EITC) was available beginning in the tax year 2015.

For 2018, the credit is available to California households with adjusted gross incomes less than $16,751 if there are no qualifying children or $24,951, if there is one or more qualifying children. Beginning January 1, 2017 and after, California conforms to federal on self-employment income being considered as earned income for the purpose of calculating the allowable CA EITC.

For 2018, anyone age 18 or older at the end of the year is eligible to receive the CAEITC if all other qualifications are met. Every taxpayer who qualifies for CAEITC will need to fill out Form 3514 and submit with his or her tax return.

You qualify for Cal EITC for the 2018 tax year if:

- You have wages, self-employment income and adjusted gross income within certain limits
- You, your spouse, and any qualifying children each have a Social Security Number issued by the Social Security Administration that is valid for employment
- You do not use the "married/RDP filing separately" filing status
- You lived in California for more than half the tax year

Number of Qualifying Children	**CA Maximum Income is Less Than**	**CAL EITC (Up to)**
None	$16,751	$232
1	$24,951	$1,554
2	$24,951	$2,505
3 or more	$24,951	$2,879

FTB may need to verify the income and/or losses used to claim CAEITC before FTB can issue any refund. FTB may reach out to a taxpayer **by letter** requesting additional information. The request will come on the **FTB 4502: Additional Documentation Required- Refund Pending**

Renters Credit

Renter's credit is available for single filers with adjusted gross income of $41,641 or less and joint filers with adjusted gross income of $83,282 or less.

In addition, FTB provides minimum filing requirement thresholds to ensure that most people who will not owe taxes are not required to file a tax return. FTB adjusts these tables each year to include the added senior exemption and the dependent exemption credits, For example, most single people under 65 years old with no dependents would not need to file a state return until they have California adjusted gross income of $17,693 or more. Other tax credits affected by indexing include the Joint Custody Head of Household Credit, Dependent Parent Credit and Qualified Senior Head of Household Credit.

Child and Dependent Care Expenses Credit

California allows a non-refundable credit for child and dependent care expenses. Taxpayers may be eligible to claim this credit if they paid someone to care for their child or other qualifying person so they (and their spouse/RDP, if married) can work or look for work. If you are a nonresident of California, their earned income must be from California sources.

Credit for Joint Custody Head of Household – Code 170

- Taxpayer's can claim **EITHER** the Joint Custody Head of Household credit **or** the Dependent Parent Credit but not both
- Clients cannot claim this credit if they claimed Head of Household, Married/RDP Filing Jointly or the Qualifying Widow(er) filing status. Use the JCHH credit worksheet to compute the credit

The maximum credit for 2018 tax year is $469 or 30 percent of net tax, which ever is less.

Estimated Tax Payments

State income tax is due on income as it is earned. There are two methods of paying tax income earned, Withholdings and estimated payments. Estimated tax payments are not required if one of the exceptions below are met:

- Taxpayer has a tax liability less than $500 ($250 for married/RDP filing separately) do not need to make estimated tax payments.
- Taxpayer's prior year return was not a full 12 months and they did not have a tax liability.
- The amount of the taxpayer's withholding plus estimated tax payments, if paid timely, is at least 90 percent of current year's tax or 100 percent of the tax shown on their last year's return.

If the taxpayer is required to make estimated tax payments, listed below is the quarterly installment payment schedule:

TaxSlayer Login

The site coordinator has set up the volunteer's accounts in TaxSlayer using their tax center client ID. Coordinators can use TaxSlayer's online instructions or call the Volunteer Hotline for assistance on how to do this.

1. TaxSlayer has changed the login process due to hacking of the IRS systems; therefore, IRS is mandating the change. When you login to your account in TaxSlayer, the "Account Update" screen will come up.

The "Account Update" screen needs to be completed only once. Please keep the following in mind as you complete this screen:

- Enter your correct cell phone number
- Use an email address you will be able to access each time you login.

TaxSlayer is requiring you to get an **authentication code** every 7 days when you login using the same computer or every single time you login into TaxSlayer using a different computer. You may choose to receive the authentication code either via at the cell number you entered on the "Account Update" screen or via email at the email address you used on the "Account Update" screen.

After you complete the "Account Update" screen, you may be asked if you want to Sync your account. **Do NOT sync.** Otherwise, the system will sync all your accounts to one login ID and you may not be able to login to different sites with different login name.

Once you have entered the appropriate information, you will be logged into TaxSlayer.

Important TaxSlayer Information

The information you type into TaxSlayer is crucial. Key it as you see it. Type each tax form into TaxSlayer exactly how it looks. When you put correct information into TaxSlayer, you get correct information out. Make sure to verify the documents provided from your taxpayer are for the correct tax year. Occasionally, taxpayers will provide you with prior year tax documents.

Check Social Security Numbers

It is important to check your client's tax forms to verify their social security numbers match.

TaxSlayer Instructions

This section will cover common rules that apply to preparing a California Form 540 using the TaxSlayer software. TaxSlayer will complete Form 540 or 540NR (long) for all California filers. The federal information generally carries to the California return. For information on preparing the federal return, go to IRS Publication 4012.

Note: Please refer to the FTB 540 or 540 2EZ booklets to prepare a state return manually.

When you finish entering information for the federal return, TaxSlayer will take you right into the state return. TaxSlayer automatically creates a Resident state return for you.

Other State Tax Credit (Schedule S) – Code 187

In some instances, a taxpayer will be taxed by both California and another state on the same income. To prevent the income from being taxed twice, either California or the other state will generally allow an "Other State Tax Credit" to offset the taxes paid to the other state. The chart lists all the states that qualify for the other state tax credit. To qualify for this credit, they must meet the following requirements:

- A Resident
- Liable for tax on income sourced in the other state
- Paid a net income tax to both the other state and California on the same income
- Effective after January 1, 2003, California allows the OSTC for taxed paid in the other state for different tax years for taxes due to the same transaction

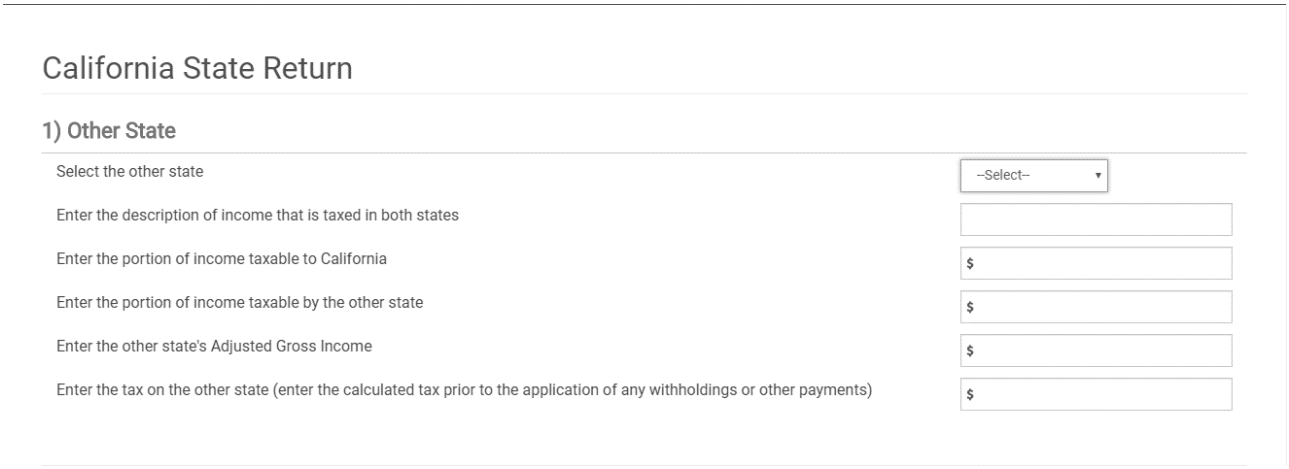

Resident clients claim a credit for taxes paid to one of the states or U.S possessions listed and all of these apply:

- The client paid a net income tax to a state or U.S possession on income also taxed by California
- The source of income comes from the other jurisdiction
- FTB Schedule S is complete and attach to the return to claim the credit

Attach a copy of the other state's tax return to the California return, unless it is e-filed, then the client retains a copy.

Note: You will need to complete the other state's tax return before completing FTB Schedule S.

1. Select "Other State Tax Credit"
2. Select "Begin" next to other state
3. Enter the information needed to complete FTB Schedule S

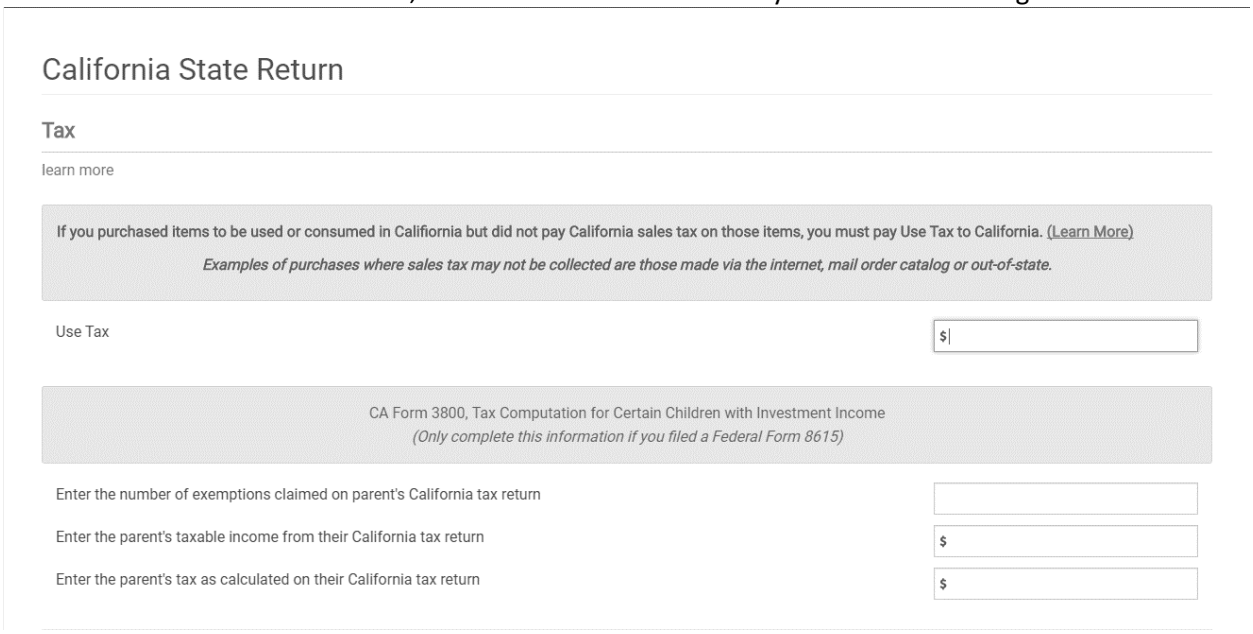

Use Tax

In general, your client pays California Use Tax on purchased from out of state (i.e, telephone, internet, mail or in person purchases) if both the following apply;

- The seller did not collect California sales or Use Tax
- Your client used, gave away, stored or consumed the item in California

You will need to fill out California Form 3800 by using the following steps in TaxSlayer;

1. From the California State Return screen, Select "Tax"
2. In the box next to Use Tax, enter the amount of Use Tax your client is claiming

Voluntary Contributions

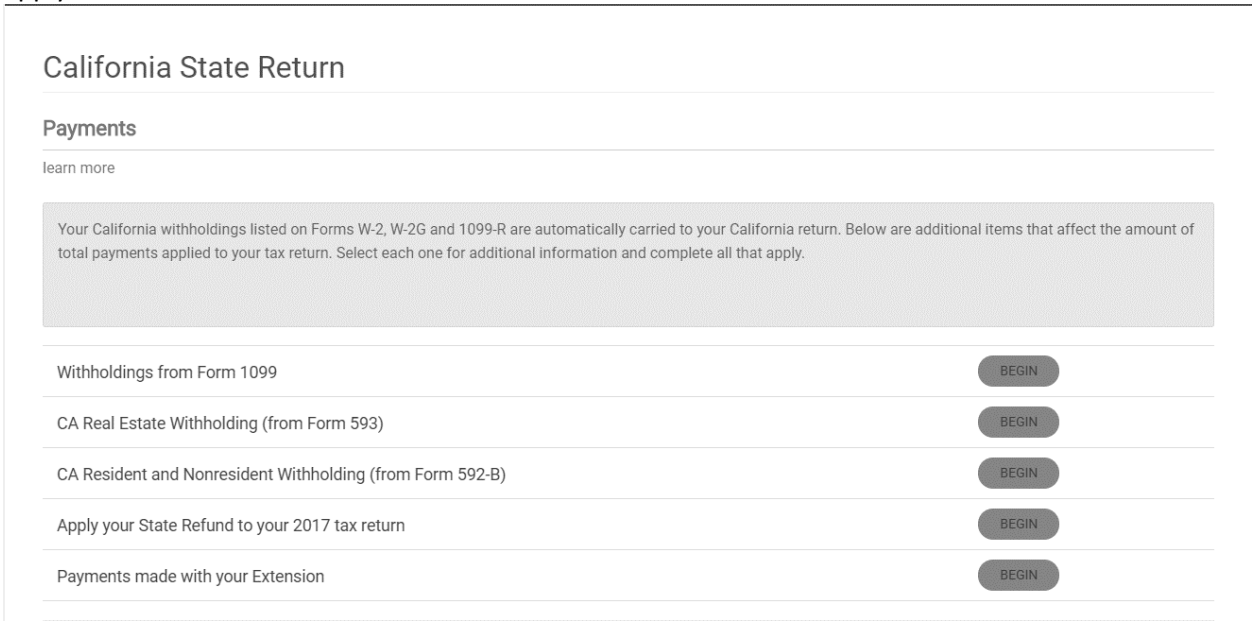

Taxpayers may make contributions to any of the listed organizations on page 4 of Form 540. The contribution amount reduces your client's refund. If your client owes tax this will increase the amount your client owes.
To make a contribution to one of the listed organizations;

1. Select "Begin" next to Voluntary Contributions
2. From the Voluntary Contribution screen, select "Begin" next to the organization your client would like to contribute to
3. Enter the amount your client would like to contribute and select "Continue"

California withholdings listed on Forms W-2, W-2G and 1099-R are automatically carried to your California return. Below is a list of additional items that affect the amount of total payments applied to your California tax return

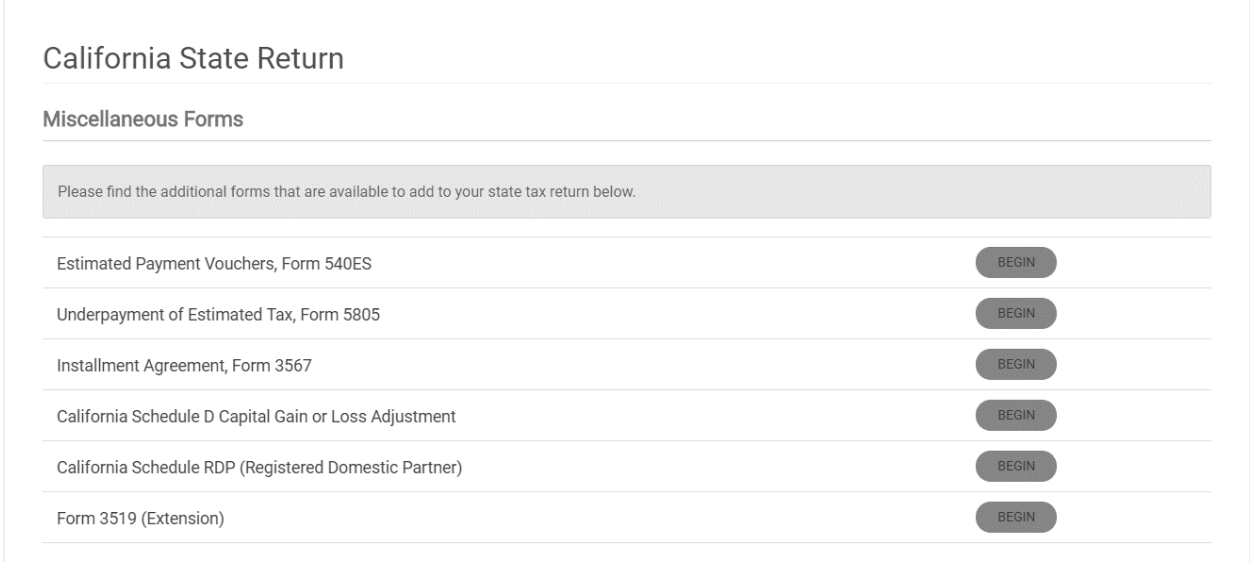

- Withholdings from Form 1099
- CA Real Estate Withholdings (from Form 593)
- CA Resident and Nonresident Withholding (from Form 592-B)
- Apply your State Refund to your 2019 tax return
- Payments made with your Extension

Below is an illustration of the TaxSlayer Payments screen. Select each one for additional information and complete all that apply.

Miscellaneous Forms

In this section, you will find additional forms that are available to add to your state tax return. Generally, most of these forms may not apply to the taxpayers who visit your VITA site.

Estimate Payment Vouchers, Form 540ES

Taxpayers make estimated tax payments on a quarterly basis to make up for insufficient withholdings from their income. Generally, taxpayers and their spouses/RDP do not have to make estimated tax payments if their California withholding totals 90 percent of their California tax liability. They do not have to make estimated tax payments if they will pay enough through withholdings to keep the amount owed with their return under $500 ($250 if Married/RDP Filing Separate). However, if the taxpayer and their spouse/RDP do not pay enough tax either through withholding or by estimated tax payments, they may have an underpayment of estimated tax penalty. Go to FTB 540-ES, Estimated Tax for Individuals for more information.

Estimated requirements are 90 percent of the current year's tax or 100 percent of the prior year's tax.

For tax year 2010 and After California quarterly installment requirements are as follows

First Quarter	Second Quarter	Third Quarter	Fourth Quarter
30 Percent	40 Percent	0 Percent	30 Percent

Underpayment of Estimated Tax

If you are required to make estimated tax payments and the payments were late or less than what is required, FTB will calculate the estimated tax payment penalty amount for you. However, you can complete FTB 5805 to calculate the penalty amount and submit it with your return.

Once you have completed the taxpayers return, they could have refunds for both federal and state, amount(s) due or they could have a refund for one and an amount due for the other.
State Refund, Federal Amount Due

If the taxpayer has a federal balance due that they would like to pay via direct debit and a state refund, the debt will come from the first bank account entered and the state refund will be deposited into that same account. If the taxpayer wishes to use different accounts, they will need to elect the e-file with mailed payment or paper check their refund.

Amount Due

If the taxpayer owes on both returns, the bank information screen will have both notes about payments for federal and state, only the federal amount due is entered. Banking information is entered twice to confirm the bank information is entered correctly.

E-file completion

After completing the bank information, you will need to review your site information for accuracy under the ERO information screen. Confirm your EFIN Number and ERO (Site) name is correct.

Confirm Form 8879 information is correct. Allow the taxpayer to select a five digit PIN for e-filing purposes only. This PIN may be used when filing the following years return.

If the taxpayer has a Third Party Designee, select this section and complete the appropriate information.

Depending on your how your site has set up their TaxSlayer software, there may be some questions used for statistical purposes only. Answer each question appropriately from the drop down menu.

Consent to Use/Consent to Disclose

Follow your site procedures when completing the Consent page. If your site has set up Consents, you must answer them before creating the e-file.

Completing the submission page

You can print your return from this screen by selecting the Print return button. Review your ERO information, Client information, return information, Form 8879 and State return information from this screen. After you have reviewed for accuracy, you need to determine what happens to the return from this point. If the return is complete and ready to be e-filed, select Mark Complete, then Save, and Exit. If another person needs to review the return before it can be marked complete, select Ready for Review and then select Save and Exit.

Sending a State Only Return

In some cases, the taxpayer only needs to e-file a state return. To file only the state return use the following steps

1. From the E-file screen check the box that says “Efile State Only”,
2. TaxSlayer will display a Note Warning, read the warning and select the “X” to close the box
3. Select an E-file option from the Federal Return Type. Even though you are not E-filing a federal return, you will need to make a selection from this drop down.
4. Complete the remainder of the information on the E-file and Submission pages as described under E-file Completion.

Software Tips

Employer's State ID Numbers

California requires the state ID box on Forms W2, W2-G and 1099-R include the employer's id number. If any of the forms above have a bland state ID, enter six 0's in this field. How you complete the income statement determines how the software applies the information based on California tax law.

IHSS Payments and CAEITC

If you have a taxpayer who has IHSS payments that are excludable from income tax, place the amount in the box 13 titled "Medical Waiver Payments in Box 1" of the W2. If this is the only income source for the taxpayer, the amount in box 1 of the W2 will not flow through to FTB 3514 and the taxpayer will not qualify for CAEITC

State Disability Insurance

State Disability Insurance (SDI) is an itemized deduction on the federal tax return, but you subtract it from the state itemized deduction amount on Schedule CA (540). By following the instructions the software reports SDI correctly for both federal and state purposes.

Many employer's enter CASDI in box 14 of Form W2. You can input this information in box 14 of your W2 screen by selecting the drop down menu next to box 14 and select CASDI.

Note: Make sure the SDI amount is entered in box 14 even if the SDI is entered into box 19 of Form W2. Double check the software for accuracy of SDI deduction on federal Schedule A.

W2G/ California Lottery and Gambling Losses

To exclude California lottery winnings from the state tax return, enter the winnings under the federal section, other income under W-2G gambling winnings. When completed correctly the software deducts this income on the CA Schedule CA(540) line 21.

The software automatically subtracts California lottery losses claimed as a gambling loss of federal Schedule A when the amount of the loss is entered in the federal section, Itemized deductions, Miscellaneous deductions.

See Schedule CA (540) page 2, line 41 and double check this automatic adjustment. Non-California lottery gambling losses are allowed as an itemized deduction up to the amount of gambling winnings.

Note: California lottery losses are **not** deductible because California lottery winnings are not taxable

1099-R Pension and Railroad Retirement Income

Generally, federal and state treat pension income the same. Find additional information in FTB 1001

If your client receives a 1099-R with Tier 1 or Tier 2 railroad retirement income, complete the RRB-1099-R. The taxable income from this 1099-R qualifies for a subtraction on the CA Schedule CA (540) and the software makes the adjustment for you.

Nonqualified HSA Distributions

Distributions from an HSA not used for qualified medical expenses and included in federal income are not taxable for California purposes. See the "Additions or Subtractions to Income" in the State return preparation section to input this Value. "Nonqualified HSA" can be used as the description for the adjustment.
